### Profile

**Evangelia Georgiou** is Ph.D. candidate at the Economics Department of the University of Piraeus, Greece.

Her research interests lie on the field of monetary economics, banking and finance. Her thesis aims at studying the conduct of monetary policy in a low interest rate environment.

She holds a M.Sc. in Banking and Finance from the Athens University of Economics and Business (2000), a B.A. in Business Research and Marketing from the Athens University of Economics and Business (1998) and a Master in Business Administration from the Hellenic Open University (2015). Her main working and research experience comes from the Research Department of the Bank of Greece.
