

	UNIVERSITY C						
FACULTY/SCHOOL	School of Economics, Business						
DEPARTMENT	Department of Economics	and international studies					
LEVEL OF STUDY	Undergraduate						
COURSE UNIT CODE	ОКОАФ08	SFM	ESTER 8 <sup>th</sup>				
		<u>'</u>	LEGIEN   G				
COURSE TITLE	ECONOMICS OF INEQUALITY A			1 _			
WEEKLY TEACHNG HOURS	4	CRE	DITS (ECTS)	5			
COURSE TYPE	Elective						
PREREQUISITE COURSES	-						
INSTRUCTION LANGUAGE	Greek	ASSI	ESSMENT LANGUAGE	Greek			
OPEN TO ERASMUS	Yes						
	inequalities and poverty and the The way with which the state between developing and social in the factors that affect these economic growth and inequal reduces economic and social in With the completion of the comprehend:  The concept and the way to the concept and the way to the historical development the structure of inequalitie the relationship between good the impact of fiscal policy of the causes and economic and the relationship between pothe ideology of income red	<ul> <li>The concept and the way to measure economic and social inequalities</li> <li>the concept and the way of measuring poverty</li> <li>the historical development of inequalities and poverty</li> <li>the structure of inequalities and poverty</li> <li>the relationship between economic inequalities and economic development</li> <li>the relationship between globalization and economic inequalities</li> <li>the impact of fiscal policy on economic inequalities</li> <li>the causes and economic and social impact of poverty</li> <li>the relationship between poverty and social exclusion</li> <li>the relationship between political institutions and income redistribution</li> <li>the ideology of income redistribution</li> </ul>					
GENERAL COMPETENCES	<ul> <li>the ways of combating poverty and the effectiveness of poverty programs</li> <li>Project planning and management in social policy</li> <li>Assessment of social policy programs</li> <li>Decision – making process</li> <li>Critical thinking</li> <li>Development of free, creative and inductive thinking</li> </ul>						
COURSE CONTENT	Definition and measurement of inequalities						
	The theory of distribution of income						
	Historical development of inequalities						
	The structure of inequalities						
	Intergenerational mobility						
		Economic development and inequality					
		Globalization and inequality					
	Public policy and inequalities						
	Definition and measurement of poverty						
	Historical development of Poverty						
	Causes and the effects of poverty						
		Total and the reason ballon of meeting					
	Efficiency of policy progran	ns against poverty					
USE OF ICT IN TEACHING	Use of ICT in lectures						
	Communication with the stude						
COURSE DESIGN		/Method	Semester workload				
	Lectures		52				
	Eccay writing		36
